Hanna,

Three days after the lockout defendants start removing equipment, despite Plaintiffs having statutory 60 days to cure debt. A.R.S. §33-361(D)

Could you let me know what you leased and who to contact? I would like to reach out to them and schedule a time for pick up.

Thanks,

*Scott Teerink*

Will you allow us to remove food and the small freezer boxes to avoid food spoilage? The power is getting cut off and everything in the freezers will rot. It's up to you, but I need to know.
