1. TERM

(a) The term of this Lease shall commence on the date Landlord has delivered actual possession of the Premises to Tenant, broom clean and free of all leases and occupants, other than this Lease; and Landlord’s Work has been substantially completed, subject to the provisions of Exhibit B (the “Delivery Date” and also referenced herein as the “Commencement Date”). The estimated Delivery Date is three (3) months from the date of mutual execution of this Lease. The term of this Lease shall be one hundred and twenty (120) full calendar months following the Commencement Date plus the fractional calendar month, if any, in which the Commencement Date occurs.

Tenant shall have no right to use, including without limitation commencing any Tenant Improvements, or occupy the Premises prior to the Commencement Date. In the event Landlord fails to deliver possession of the Premises to Tenant with Landlord's Work substantially complete (subject to the provisions of Exhibit B) on or before the date that is six (6) months after the Estimated Delivery Date (the “Outside Delivery Date”), Tenant may, as its sole and exclusive remedy, terminate this Lease upon written notice to Landlord at any time prior to such delivery and Landlord has failed to cure the same within the cure period provided for in Section 21 below, in which event Landlord and Tenant shall be released from all liability hereunder accruing thereafter. If Tenant elects to exercise this option to terminate, the Security Deposit paid by Tenant pursuant to Section 4 below shall be refunded to Tenant by Landlord within thirty (30) days of Landlord’s receipt of such termination notice.

Tenant’s failure to provide timely written notice of its exercise of its option to extend the term of the Lease shall conclusively be deemed to be a waiver of such option and Tenant shall have no further option to extend the term of the Lease.

2. RENT

(a) **Base Rent.** Tenant shall pay to Landlord, in advance, on the first day of each calendar month, beginning on the date ten (10) months following the Commencement Date (the “Rent Commencement Date”) and throughout the Term of this Lease, annual base rent in equal monthly installments, in the amount of \$52,800 per annum (\$4,400.00 per month). However, the first month's Base Rent shall be due and payable by Tenant to Landlord concurrent with the execution of this Lease. Base Rent payable with respect to a period consisting of less than a full calendar month shall be prorated based upon a 30-day month. Base rent for the first month of the term shall be considered a full month and rent for the second month of the term shall be pro-rated based upon the Rent Commencement Date determined as set forth above. Commencing on the anniversary of the Commencement Date and on each year thereafter the annual base rent (and therefore the monthly installments) shall increase an amount equal to three percent (3%) per annum. Therefore, the Base Rent for the balance of the Term of the Lease shall be:

All amounts payable to Landlord under this Lease constitute rent, whether or not so designated, and shall be payable without notice, demand, deduction or offset to such person and at such place as Landlord may from time to time designate by written notice to Tenant.

(c) Late Charges and Interest. Landlord and Tenant agree that when Tenant fails to pay rent on time, the actual cost to Landlord is difficult or impossible to ascertain, but the parties agree that Landlord does, in such event, incur certain additional costs, such as additional bookkeeping and administrative charges, bank charges, lost opportunity costs, costs and inconveniences of special handling and disruption of cash flow, etc. The parties agree that Tenant shall pay to Landlord a late charge, as additional rent, equal to 5% (but in no event greater than the maximum amount permitted by Arizona law) of any Base Rent or other amount payable under this Lease that is not paid within five days after the date it is due as liquidated damages. The assessment or collection of a late charge shall not constitute the waiver of a default and shall not bar the exercise of other remedies for nonpayment. In addition to the late charge, all amounts not paid within ten days after the date due shall bear interest from the date due (i) until the happening of an Event of Default, at the rate of 12% per annum and (ii) thereafter, at the rate set forth in Section 22(b).

Each party shall timely perform and pay for its respective obligations. If the performance of any of Landlord's obligations as specified in Exhibit B is defective, Tenant's acceptance of the condition of the Premises shall be subject to, and shall only be subject to, the correction of any defects specified in a written punch list delivered to Landlord prior to the date Tenant takes possession. Landlord shall promptly correct any such defects; provided however that the existence of punchlist items shall not entitle delay delivery of possession of the Premises to Buyer or the Commencement Date or the Rent Commencement Date, except for defects which make the Building uninhabitable. If any portion of the security deposit is so applied, Tenant shall, within five days after written demand therefore, deposit cash with Landlord in an amount sufficient to restore the security deposit to its original amount and Tenant's failure to do so shall be a material breach of this Lease. Landlord shall not be required to keep the security deposit separate from its general funds, and Tenant shall not be entitled to interest on the deposit. If Tenant shall fully and faithfully perform every provision of this Lease to be performed by Tenant, the security deposit or any balance thereof shall be returned to Tenant (or at Landlord's option, to the last assignee of Tenant's interests hereunder) at the expiration of the Lease term or extension thereof, or any period of holding over under Section 7.

Tenant therefore agrees to subject Tenant's wastewater, and all other materials that Tenant discharges into the System, to the limitations imposed by Utility Company from time to time in order to maintain the quality of the Effluent for the purposes specified by Utility Company from time to time. Tenant further agrees not to discharge into the System any wastewater, or any other material, which could cause damage to the System through one discharge or through the cumulative effect of multiple discharges.

(f) Tenant agrees to indemnify and hold harmless Landlord and Landlord's Affiliates for, from and against all claims, demands, liabilities, damages, costs and expenses, including but not limited to reasonable attorneys' fees and court costs, suffered or incurred by any of them arising out of or relating to a breach by Tenant of any of the provisions of this paragraph. This

indemnification obligation shall survive the termination or expiration of the term of the Lease and is not limited to the insurance limits that Tenant is required to carry under the terms of this Lease. (a) Operating Costs. Because Tenant is the sole tenant of the Premises and there is no common area, Tenant acknowledges, understands and agrees that this is a triple net lease and therefore Tenant is responsible for any and all ongoing expenses whatsoever relating to or arising from the Premises, including without limitation building insurance, and maintenance, in addition to paying the rent and utilities. In exchange for Landlord performing the maintenance described in Section 11 below, Tenant shall pay to Landlord an estimated monthly advance charge one twelfth of all such Operating Costs, which may be adjusted from time to time by Landlord to reflect its revised estimates. Such Operating Costs and the above monthly advance shall also include a management fee not exceeding 10% of the Operating Cost charged at Landlord's discretion as part of the Operating Costs. Tenant shall pay the first month's estimated monthly advance charge upon execution of this Lease and thereafter, on or before the first day of each calendar month during the term commencing on the month after the Commencement Date.

Tenant shall use the refuse container provided by Landlord in accordance with rules and regulations established by Landlord; provided however, Landlord may, in its sole discretion, at any time and from time to time, change Tenant's use of any common refuse containers or require Tenant to instead directly arrange and pay for refuse disposal. Landlord shall not be liable, in damages or otherwise, for any discontinuance, failure or interruption of service to the Premises of utilities

Tenant shall not, either voluntarily or by operation of law, assign, hypothecate or transfer this Lease, or sublet the Premises or any part thereof, or permit the Premises or any part thereof to be occupied by anyone other than Tenant or Tenant's employees, without Landlord's prior written consent, which consent may be withheld in Landlord's sole discretion. No hypothecation, assignment, sublease or other transfer to which Landlord has consented shall be effective for any purpose until such time as fully executed documents of such transaction have been provided to Landlord, and, in the case of an assignment, the assignee has attorned directly to Landlord, and in the case of a sublease, the sublessee has acknowledged that the sublease is subject to all of the terms and conditions of this Lease. Any assignment, mortgage, transfer or subletting of this Lease

which is not in compliance with the provisions of this Section shall be voidable and shall, at the option of Landlord, terminate this Lease. The consent by Landlord to an assignment or subletting shall not be construed as relieving Tenant from obtaining the express written consent of Landlord to any further assignment or subletting or as releasing Tenant from any liability or obligation hereunder, whether or not then accrued.

Landlord shall be under no obligation to decide whether consent will be given or withheld unless Tenant has first provided to Landlord: (i) the name and legal composition of the proposed assignee or subtenant and the nature of its business; (ii) the use to which the proposed assignee or subtenant intends to put the Premises; (iii) the terms and conditions of the proposed assignment or sublease and of any related transaction between Tenant and the proposed assignee or subtenant; (iv) information related to the experience, integrity and financial resources of the proposed assignee or subtenant; (v) such information as Landlord may request to supplement, explain or provide details of the matters submitted by Tenant pursuant to subparagraphs (i) through (iv); and (vi) reimbursement for all costs incurred by Landlord, including attorneys' fees, in connection with evaluating the request and preparing any related documentation. Tenant shall defend, indemnify, and hold Landlord harmless for, from and against any mechanics' or materialman's lien. If Tenant fails to discharge such a lien, by bonding or otherwise, within ten days after written demand, Landlord shall be entitled, but shall have no obligation, to pay the lien or otherwise cause it to be discharged, in which case Tenant shall immediately reimburse Landlord for all amounts so expended and all related expenses, including attorneys' fees.

13. DAMAGE TO PROPERTY; INJURY TO PERSONS; INSURANCE

(a) Indemnity. Tenant shall defend, indemnify and hold Landlord and Landlord's Affiliates harmless, regardless of any negligence imputed to Landlord as owner of the real property involved in an injury, for, from and against any and all loss, demands, penalties, costs, claims, actions, damages, liability and expense in connection with loss of life, personal injury, damage to property or any other loss or injury whatsoever arising directly or indirectly from or out of this Lease, or any occurrence in, from, upon or at the Premises, or the occupancy or use by the Tenant of the Premises, or any act or omission of Tenant, its agents, servants, employees or invitees, including without limitation, costs of compliance, remedial costs, and reasonable attorneys' fees, arising out of or relating to any failure of Tenant to comply with applicable Laws. Tenant shall not be required, however, to indemnify Landlord against a claim arising from Landlord's sole active negligence or willful misconduct. Landlord shall not be liable and Tenant hereby waives all claims for any damage to any property in or about the Premises or injury or inconvenience to Tenant's business, by or from any cause whatsoever (including without limiting the foregoing, rain or water leakage of any character from the roof, windows, walls, pipes, plumbing works or appliances). Tenant acknowledges that it is protecting itself against loss by maintaining appropriate insurance coverage. If any action or proceeding is brought against

Landlord by reason of any such claim, Tenant upon notice from Landlord shall defend the same at Tenant's expense by counsel satisfactory to Landlord.

(b) Losses. Tenant as a material part of the consideration to Landlord, Tenant hereby assumes all risk of damage or injury, from any cause, to property or persons in, upon, or about the Premises or otherwise relating to or arising out of Tenant's business or use of the Premises, and Tenant hereby waives all claims in respect thereof against Landlord.

Landlord shall not be liable for any damage to property entrusted to agents or employees of Landlord, or for loss of or damage to any property by theft or otherwise, or for any injury or damage to persons or property resulting from dampness or any other cause whatsoever. (2) Business interruption insurance with a limit sufficient to insure not less than a six month loss of income;

(5) Workers' compensation insurance in accordance with applicable law and employer's liability insurance with a limit not less than \$1,000,000 bodily injury each accident; \$1,000,000 bodily injury by disease - each person; and \$1,000,000 bodily injury by disease - policy limit.

(ii) Policy Requirements. Tenant's insurance policies shall:

(1) where applicable, contain the mortgagee's standard mortgage clause and in any event a waiver of any subrogation rights which Tenant's insurers may have against Landlord and against those for whom the Landlord is in law responsible;

(2) be taken out with insurers reasonably acceptable to Landlord and be in a form satisfactory from time to time to Landlord to Landlord, subject to, however, that such insurers shall have an AM Best Rating of no less than A-VIII;

(3) be non-contributing and apply as primary and not as excess to, any other insurance available to the Landlord;

(4) not be invalidated with respect to the interests of the Landlord and the holder of any encumbrance on the Premises by reason of any breach or violation by Tenant of any warranties, representations, declarations or conditions contained in the policies;

(5) notify the Landlord, and the holder of any encumbrance on the Premises designated by Landlord, in writing not less than thirty days prior to any material change, cancellation or termination; and

(6) otherwise be reasonably satisfactory in form, substance, limits, deductibles and retentions to Landlord.

(iii) Evidence of Coverage. Tenant shall deliver to Landlord certificates of insurance or, if required by Landlord, certified copies of each such insurance policy as well as copies of all applicable additional insured endorsements: (a) as soon as practicable after the placing of the required insurance; however, Tenant shall not take possession of the Premises prior to delivery of such certificates, endorsements or policies and (b) periodically thereafter before expiration, renewal or replacement of the policies then in force. No review or approval of any such insurance certificate by Landlord shall derogate or diminish Landlord's rights or Tenant's obligations. Tenant shall not take possession of the Premises without having complied with the requirements of this Section.

(iv) Use of Insurance Proceeds. Tenant shall use the proceeds from any property form insurance policy or policies of insurance for the repair or replacement of the insured property. No insurable interest is conferred upon Tenant under any policies of insurance carried by Landlord, and Tenant shall not be entitled to share or receive proceeds of any insurance policy carried by Landlord.

14. ACCESS

Landlord and its agents shall have the right to enter the Premises at all reasonable times for the purpose of inspection, showing to prospective purchasers or tenants of the building, making such alterations, repairs, improvements or additions to the Premises as Landlord may deem necessary or desirable, for the purpose of ensuring compliance with the Laws or for any other reasonable purpose. If Tenant shall not personally be present to open and permit an entry into the

Premises at any time when such entry by Landlord is necessary or permitted hereunder, Landlord may enter by means of a master key or may enter forcibly, without liability to Tenant. For this purpose, Landlord shall be entitled to retain at all times, and to use in appropriate instances, copies of keys to all doors within and into the Premises. Without limiting the foregoing, Landlord shall have access to the Premises for purposes of decorating and making repairs, alterations, additions or improvements, whether structural or otherwise, in and about the Shopping Center or any part thereof and, during the continuance of any such work, to temporarily close doors, entryways, public space and walkways outside the building and to interrupt or temporarily close or suspend services and facilities, all without abatement of rent or affecting any of Tenant's obligations hereunder so long as the Premises are reasonably accessible. ***Landlord shall provide 24 hours' notice to Tenant before entering the Premises in order to make significant repairs or alterations which may disrupt Tenant's business or for any purpose outside Tenant's normal business hours, provided, however, that Landlord may enter the Premises at any time for emergency repairs and may enter the Premises for minor repairs or another permitted purpose while Tenant is open for business without requirement of notice.***

15. FIRE AND CASUALTY

(a) Termination Rights. If all or part of the Premises is rendered untenable by damage from fire or other casualty which in Landlord's opinion cannot be substantially repaired (employing normal construction methods without overtime or other premium) under applicable laws and governmental regulations within 180 days from the date of the fire or other casualty, then either Landlord or Tenant may elect to terminate this Lease as of the date of such casualty by written notice delivered to the other not later than ten days after notice of such determination is given by Landlord.

(b) Restoration. If in Landlord's opinion the damage caused by the fire or casualty can be substantially repaired (employing normal construction methods without overtime or other premium) under applicable laws and governmental regulations within 180 days from the date of the fire or other casualty, or if neither party exercises its right to terminate under Section (a), Landlord shall, but only to the extent that insurance proceeds are available therefor, repair such portion of the Building and Premises originally constructed as part of Landlord's Work to substantially the condition they were in immediately prior to such damage or destruction ("Landlord's Restoration"). In no event shall Landlord's Restoration include any personal property, furniture, chattels or trade fixtures which do not belong to the Landlord. Tenant at its own expense shall repair damage to any personal property, furniture, chattels or trade fixtures which do not belong to the Landlord as well as any Tenant Improvements or Alterations constructed by Tenant.

(c) Insurance Proceeds. All proceeds of Tenant's fire or other casualty insurance shall be received and held by Landlord and Landlord shall have the right to use for any restoration and repair of the Premises. Proceeds of insurance payable with respect to a fire or other casualty shall be received and held by Landlord.

(d) Complete Agreement. This Section constitutes the complete agreement of the parties with respect to fire or casualty affecting the Premises, and no rule or provision of law inconsistent with this Section 15 shall apply.

(e) Abatement. During any period of Landlord's Restoration, the Base Rent payable by Tenant shall be proportionately reduced to the extent that the Premises are thereby rendered untenable from the date of casualty until completion by Landlord of the repairs to the Premises (or the part thereof rendered untenable) or until Tenant again uses the Premises (or the part thereof rendered untenable) in its business, whichever first occurs.

16. CONDEMNATION

(a) Termination. In the event any portion of the Premises on which the Building or the drive through is located shall be appropriated or taken under the power of eminent domain, this Lease shall terminate and expire as of the date of such taking. In the event more than twenty-five percent of the Premises is taken under the power of eminent domain, either Landlord or Tenant shall have the right to terminate this Lease.

(b) Restoration. If this Lease is not terminated as provided above, then Landlord, at Landlord's cost and expense, as soon as reasonably possible, shall restore the building to a complete unit of like quality and character as existed prior to such taking, provided that Landlord shall not be obligated to spend more for such restoration than Landlord receives for the taking.

(c) Awards. All awards or compensation for any taking of any part of the Premises are hereby assigned to and shall belong to Landlord. Notwithstanding anything to the contrary contained herein, Tenant shall be entitled to seek and recover on its own account any portion of an award or compensation relating to damage to or loss of Tenant's trade fixtures or other personal property belonging to Tenant.

(d) Sale in Lieu of Condemnation. For the purposes of this Section 16, a voluntary sale or conveyance in lieu of condemnation shall be deemed an appropriation or taking under the power of eminent domain.

17. ABANDONMENT

Tenant shall not vacate or abandon the Premises at any time during the term. If Tenant shall abandon, vacate or surrender the Premises or be dispossessed by process of law or otherwise, any personal property belonging to Tenant and left on the Premises shall conclusively be presumed to be abandoned and may be kept or disposed of by Landlord as provided in Section 22. Tenant's absence for a period of ten consecutive business days during the term of this Lease shall automatically be deemed an abandonment of the Premises.

18. SALE BY LANDLORD

In the event of a sale, conveyance or other transfer of the Premises by Landlord, the transferor or assignor shall automatically be released from any further liability upon any of the covenants or conditions, express or implied, herein contained in favor of Tenant, and in such event Tenant agrees to look solely to the responsibility of the successor in interest of Landlord in and to this Lease. This Lease shall not be affected by any sale, and Tenant agrees to attorn to the successor in interest. If any security deposit has been made by Tenant, the successor in interest shall be obligated to return it in accordance with the terms hereof and Landlord shall be discharged from any further liability in reference thereto.

19. ATTORNEYS' FEES

In the event of any legal proceeding brought by either party against the other arising out of this Lease, the prevailing party shall be entitled to recover its reasonable attorneys' fees. In the event Landlord engages an attorney to collect any money amounts due hereunder or otherwise to enforce any of the terms or provisions of this Lease, Tenant shall pay reasonable attorneys' fees and expenses incurred by Landlord, regardless of whether or not suit is instituted.

20. WAIVER OF SUBROGATION

To the fullest extent permitted by law, Tenant, on its own behalf and on behalf of its insurers, waives all right of recovery against Landlord and Landlord's Affiliates for, and waives all claims against Landlord and Landlord's Affiliates and release the Landlord and Landlord's Affiliates from liability for, loss or damage to the extent that any such claims are or would be covered by the insurance which Tenant does or is required to maintain under this Lease. THE FOREGOING WAIVER SHALL BE EFFECTIVE REGARDLESS OF THE FAULT OF THE LANDLORD PARTIES, INCLUDING WITHOUT LIMITATION, THE NEGLIGENCE OF THE LANDLORD PARTY AGAINST WHOM CLAIMS ARE BEING WAIVED. If the release of Landlord and Landlord's Affiliates, as set forth above, should contravene any law with respect to exculpatory agreements, the liability of Landlord and Landlord's Affiliates in question shall be deemed not released but shall be secondary to the liability of Tenant's insurer. Tenant shall cause to be included in its insurance policies relating to its operations in the Project a waiver by the insurer of all right of subrogation against Landlord and Landlord's Affiliates in connection with any loss or damage thereby insured against. A waiver of subrogation shall be effective as to any individual or entity even if such individual or entity (i) would otherwise have a duty of indemnification, contractual or otherwise, (ii) did not pay the insurance premium directly or indirectly, and/or (iii) has (or does not have) an insurable interest in the property damaged.

21. ESTOPPEL CERTIFICATE

(a) Tenant shall at any time within ten days after written request from Landlord execute, acknowledge and deliver to Landlord a statement in writing: (a) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such

modification and certifying that this Lease, as so modified, is in full force and effect) and the date to which the rent and other charges are paid in advance, if any; (b) confirming the commencement and expiration dates of the term; (c) confirming the amount of the security deposit held by Landlord; (d) acknowledging that there are not, to Tenant's knowledge, any uncured defaults on the part of Landlord hereunder, or specifying such defaults if any are claimed; and (e) confirming such other matters as to which Landlord may reasonably request confirmation. Any such statement may be conclusively relied upon by a prospective purchaser or lender. Tenant shall deliver to Landlord or to any lender or prospective purchaser designated by Landlord financial statements of Tenant for the previous three years. All such financial statements shall be received in confidence.

(b) In the event of Tenant's failure to deliver such statement within such time, Landlord, shall have the right, but not the obligation, upon written notice to Tenant, to declare that the Tenant's lack of timely response is conclusive upon Tenant (i) that this Lease is in full force and effect, without modification except as may be represented by Landlord, (ii) that the commencement and expiration dates of the term are as represented by Landlord, (iii) that the amount of the security deposit held by Landlord is as represented by Landlord; (iv) that there are no uncured defaults in Landlord's performance, and (v) that not more than one month's rental has been paid in advance.

22. LANDLORD'S REMEDIES

(a) Events of Default. The following shall constitute events of default:

(i) Tenant's failure to pay any installment of the minimum rent within five days after the date the installment is due, or Tenant's failure to pay any other amount due under this Lease within five days after notice of nonpayment.

(ii) Tenant's failure to execute, acknowledge and return an estoppel certificate pursuant to Section 21 above or a subordination agreement pursuant to Section 26 below, within ten days after request.

(iii) Tenant's failure to perform any other obligation under this Lease within fifteen days after notice of nonperformance; provided, however, that if the breach is of such a nature that it cannot be cured within fifteen days, Tenant shall be deemed to have cured if cure is commenced promptly within fifteen days and diligently pursued to completion within forty-five days after notice of nonperformance; and provided further, that in the event of a breach involving an imminent threat to health or safety, Landlord may in its notice of breach reduce the period for cure to such shorter period as may be reasonable under the circumstances.

(iv) Tenant vacates, abandons, or otherwise ceases to use the Premises for a period of ten consecutive business days, except temporary absence excused by reason of fire, casualty, or other reason approved by Landlord.

(b) Remedies. Upon the occurrence of an event of default, Landlord, at any time thereafter without further notice or demand, may exercise any one or more of the following remedies concurrently or in succession:

(i) Terminate Tenant's right to possession of the Premises by legal process or otherwise, with or without terminating this Lease, and retake exclusive possession of the Premises.

(ii) From time to time relet all or portions of the Premises, using reasonable efforts to mitigate Landlord's damages. In connection with any reletting, Landlord may relet for a period extending beyond the term of this Lease and may make alterations or improvements to the Premises without releasing Tenant of any liability. Upon a reletting of all or substantially all of the Premises, Landlord shall be entitled to recover all of its then prospective damages for the balance of the Lease term measured by the difference between amounts payable under this Lease and the anticipated net proceeds of reletting. In no event shall Tenant be entitled to receive any amount representing the excess of avails of reletting over amounts payable hereunder.

(iii) From time to time recover accrued and unpaid rent and damages arising from Tenant's breach of the Lease, regardless of whether the Lease has been terminated, together with applicable late charges and interest at the rate of 18% per annum or the highest lawful rate, whichever is less.

(iv) Enforce the statutory Landlord's lien on Tenant's property.

(v) Recover all costs, expenses and attorneys' fees incurred by Landlord in connection with enforcing this Lease, recovering possession, reletting the Premises and collecting amounts owed.

(vi) Perform the obligation on Tenant's behalf and recover from Tenant, upon demand, the entire amount expended by Landlord plus 20% for special handling, supervision, and overhead.

(vii) Pursue other remedies available at law or in equity.

(c) Subleases. Upon a termination of Tenant's right to possession, whether or not this Lease is terminated: (a) subtenancies and other rights of persons claiming under or through Tenant shall be terminated or (b) Tenant's interest in such subleases or other arrangements shall be assigned to Landlord. Landlord may separately elect termination or assignment with respect to each such subtenancy or other matter.

(d) Limitation on Tenant Remedies. Notwithstanding the provisions of subsection (b) above or any other provision in this Lease, in no event shall Tenant be entitled to recover special, consequential or punitive damages from Landlord or any of Landlord's Affiliates.

23. SURRENDER OF POSSESSION

Upon the expiration or termination of this Lease or of Tenant's right to possession, Tenant shall surrender the Premises in a clean undamaged condition and remove all personal property therefrom. If possession is not immediately surrendered, Landlord may forthwith re-enter the Premises and remove all persons and effects, using such force as may be reasonably necessary, without being liable for the re-entry or the use of force. All alterations, decorations, additions or improvements upon the Premises made by either party, including (without limiting the generality of the foregoing) all wall coverings, built-in appliances, cabinet work and the like, shall, unless Landlord elects otherwise, become the property of Landlord and shall remain upon, and be surrendered with, the Premises, as a part thereof, at the end of the term hereof, except that Landlord may, by written notice to Tenant, require Tenant to remove any such improvements or fixtures, and Tenant shall repair or, at Landlord's option, shall pay to the Landlord all costs arising from such removal. Without limiting the generality of the foregoing, at the termination of this Lease, Tenant, at Tenant's sole cost and expense, shall remove all trade fixtures, movable furniture, equipment, and personal property, together with any signage, alterations, improvements or additions as Landlord shall designate to be removed and Tenant shall, forthwith and with all due diligence at its sole cost and expense, repair any damage to the Premises caused by such removal and restore the Premises and the portion of any wall to which a sign was attached to a condition reasonably comparable to its condition at the commencement of the Lease. Notwithstanding the immediately preceding sentence, Landlord shall have the right to designate by written notice to Tenant that all or any portion of any fixtures or improvements remain on the Premises upon surrender of possession of the Premises upon termination of this Lease. All damage to the Premises arising out of Tenant's moving of property in or out of the Premises, including damage to floors due to overloading, shall be fully repaired at Tenant's sole cost and expense. If Tenant shall fail or refuse to remove all such property from the Premises, then, at Landlord's option: (a) Tenant shall conclusively be presumed to have abandoned the same, and the title hereto shall pass to Landlord without any cost to Landlord either by set-off, credit allowance or otherwise and Landlord may accept the title to such property, or, (b) Landlord, at Tenant's expense, may remove the same or any part thereof in any manner that Landlord shall choose and store or dispose of the same without incurring liability to Tenant or any other person.

24. NOTICES

Any notice from one party to the other shall be in writing and shall be deemed duly served: (a) if delivered personally, sent via overnight courier services (such as UPS & Federal Express) or mailed by certified mail addressed to Tenant at the address set forth at the end of this Lease or such other address as Tenant may designate in writing or (b) if delivered personally, sent via overnight courier services (such as UPS & Federal Express) or mailed by certified mail to Landlord at the address set forth at the end of this Lease or such other address as Landlord may designate in writing. Any notice shall be deemed to have been given when deposited in the mail, if mailed, and when delivered, if personally delivered or via overnight courier services; except in the case of a party that has relocated and has not served upon the other party a notice of a new address for service

of notices as specified above, or in the case if a party to whom the notice is addressed that refuses to accept delivery of the notice, in either of which cases the notice shall be deemed effective upon the first date of attempted delivery.

25. INABILITY TO PERFORM

This Lease and the obligation of Tenant hereunder shall not be affected or impaired because Landlord is unable to fulfill any of its obligations hereunder or is delayed in doing so if such inability or delay is caused by reason of any strike, lockout, civil commotion, war-like operations, invasion, rebellion, hostilities, military or usurped power, sabotage, governmental regulations or controls, inability to obtain any material, service or financing, act of God or other case beyond the control of the Landlord.

26. SUBORDINATION AND ATTORNMENT

(a) Landlord expressly reserves the right at any time to place ground leases, liens and encumbrances of, on and against the Premises, or any portion thereof, superior in lien and effect to this Lease and the estate created hereby; provided however, that the holder of the lien or encumbrance and the landlord under the ground lease shall agree in writing to recognize Tenant's rights under this Lease, notwithstanding any foreclosure of the lien or encumbrance or termination of the ground lease. Tenant shall attorn to any successor to Landlord's interest by foreclosure, trustee's sale, or otherwise.

(b) Upon a termination of a ground lease or a transfer in connection with foreclosure or trustee's sale proceedings or in connection with a default under an encumbrance, whether by deed to the holder of the encumbrance in lieu of foreclosure or otherwise, Tenant, upon request, shall in writing attorn to the transferee, but the transferee shall not be:

(i) subject to any offsets or defenses which Tenant might have against Landlord; or

(ii) bound by any prepayment by Tenant of more than one month's installment of rent; or

(iii) subject to any liability or obligation of Landlord except those arising after the transfer.

(c) Landlord shall have the right to grant such easements, to establish such restrictive covenants, and to grant such dedications of portions of the Premises as may be necessary or convenient for the development or operation of the Premises or other property; provided, however, that no such matter shall materially interfere with the use of Premises for the purposes set forth in this Lease nor impose any additional monetary obligations on Tenant. This Lease shall be subject and subordinate to any such matter.

(d) The subordination provisions of this Section shall be self-operating and no further instrument shall be necessary. Nevertheless Tenant, on request, shall execute and deliver instruments further evidencing such subordination.

27. LANDLORD LIABILITY

Notwithstanding anything to the contrary in this Lease, neither Landlord nor Landlord's Affiliates shall be personally responsible or liable for any representation, warranty, covenant, undertaking or agreement contained in the Lease, and the sole right and remedy of the Tenant or any subsequent sublessee or assignee shall be satisfied only out of the current rents and revenues of the Premises, net of all current operating expenses, liabilities, reserves and debt service and that no real or personal property of Landlord, Landlord's Affiliates, or their successors or assigns shall be subject to levy on any judgment obtained against Landlord. Neither Tenant nor any subsequent sublessee or assignee shall seek to obtain any judgment imposing personal liability against Landlord, Landlord's Affiliates, or their successors or assigns nor execute upon any judgment or place any lien against any property other than Landlord's interest in the Premises.

In the event Landlord fails or refuses to perform any of the provisions, covenants or conditions of this Lease on Landlord's part to be kept or performed, Tenant, prior to exercising any other right or remedy Tenant may have against Landlord on account of any such default, shall provide thirty (30) days written notice to Landlord of such default, specifying in reasonable detail the alleged nature of the default and specifically referencing each paragraph and subparagraph which Tenant believes to be in default. Notwithstanding any other provision hereof, Tenant agrees that if said default is of such a nature that the same can be rectified or cured by Landlord but cannot with reasonable diligence be rectified or cured within said thirty (30) day period, then such default shall be deemed to be rectified or cured if Landlord within said thirty (30) day period shall have diligently commenced the rectification or curing thereof and shall diligently continue thereafter to cause such rectification or curing to proceed to completion.

28. MISCELLANEOUS
