

EXHIBIT 49

October 21, 2020

Pandemic is raging. Plaintiffs stripped of their entire property and livelihood ask for their 6 months food supply to be released.

Robson Affiliates dispose the food instead of releasing it to Plaintiffs.

Will you allow us to remove food and the small freezer boxes to avoid food spoilage? The power is getting cut off and everything in the freezers will rot. It's up to you, but I need to know.
